Dedication

Mr. John Kimball

Center Harbor Resident, Gentleman, Former Town Moderator

N. H. STATE LIBRARY

MAR 07 2019

CONCORD, NH

Mr. John Kimball was born January 30th, 1940, resided in Center Harbor for many years and took great pride in serving as Center Harbor Town Moderator from 2002 to 2014.

He was a true gentleman whose life epitomized public service and dedication to family and community. He attended Brewster Academy, served in the US Air Force, and during his long career as a Public Servant served on the National Board for the Prevention of Child Abuse, as President of the Laconia Rotary Club and as President of both the local Exchange Club as well as the New England District President.

He was a devoted husband, a doting father and a gifted salesman. He enjoyed fast cars, skiing, good scotch, fine cigars, and golf. Nicknamed by his close friends and family "The Peacock" after his colorful attire, he leaves behind a legacy of love, respect and friendship.

This year's Town Report is dedicated to John's memory, and his loving family, in recognition of his dedication and service to the Town of Center Harbor. He made our world, and our community, a better place.

**CENTER HARBOR
TOWN MEETING
MODERATORS' RULES OF PROCEDURE**

Unless changed by the voters at the Meetings, the Town Moderator will use the following Rules of Procedure to conduct the Meeting:

1. The Moderator will NOT follow Robert's Rules. The Moderator will use the following general rules of procedure, whose main purpose is to keep the meeting moving, and not get bogged down in procedural quagmires.
2. By majority vote, the voters can overrule any decision that the Moderator makes and any rule that the Moderator establishes. A voter can raise such a request by Point of Order.
3. The Moderator will take Articles in the order that they appear on the Warrant unless the Moderator announces the intent to take Articles out of order.
4. The Moderator will consider each Article, as follows:
 - a. The Moderator will announce the Article number, and will read the text of the Article.
 - b. The Moderator will recognize a member of the Board of Selectmen, or the petitioner (if a petitioned Article) to move the adoption of the Article.
 - c. If the Motion is seconded, the Moderator will recognize a member of the Board of Selectmen or the petitioner, to explain the Article.
 - d. The Meeting will debate and then vote on the Article.
5. Everyone who speaks must use the microphone so they can be heard. (The Moderator will announce the location of the microphone in the Meeting room.) If a voter is unable to reach one of the stand-up microphones, the voter should raise his/her hand and one of the hand-held microphones will be provided.
6. No one may speak unless he or she has the floor.
 - a. No one may have the floor unless recognized by the Moderator.
 - b. Except for Points of Order, the Moderator will not recognize speakers unless they raise their hand to be recognized.
 - c. Each speaker must provide his/her name and address.
 - d. Even if a voter does not have the floor, a voter may speak to raise a Point of Order, to challenge a Moderator's ruling, or to overrule the Moderator.
7. The Moderator will allow only one motion on the floor at a time. There are two exceptions to this rule:
 - a. A voter may raise a Point of Order at any time.
 - b. If a voter has the floor, the voter may make:

- i. A motion to amend the pending motion, or
 - ii. A motion to Call the Question.
8. The Moderator will not accept negative motions, which are motions that require a “no” vote to vote in the affirmative such as “I move that we not adopt the budget”.
9. Motions to Call the Question limit debate and require a 2/3 vote. If passed, these motions stop debate on a motion and the motion is immediately voted upon. The Moderator shall have the right to refuse to recognize a Motion to Call the Question, if, in the Moderator’s opinion, the voters have not yet had an adequate opportunity to discuss an issue.
10. Non-voters may not speak at the Meeting without the permission of the voters except the Moderator will allow non-resident Town officials and consultants or experts who are at the Meeting to provide information about an Article to speak.
11. All speakers must be courteous and must speak to the issues, not the individuals raising them. The Moderator will not allow personal attacks or inappropriate language.
12. If any person behaves in a disorderly manner, and after notice from the Moderator, persists in such behavior, or shall in any way disturb the Meeting, or willfully violate any rule of proceeding, the Moderator may have a police officer, or any legal voter of the Town, remove such person from the Meeting. (RSA 40:8).
13. All questions and comments should be addressed to the Moderator. The Moderator will choose who responds to the questions.
14. With the exception of initial presentations on Articles which the Moderator requests be limited to five (5) minutes, all speakers in debate will be limited to three (3) minutes.
15. Each speaker may only speak once until everyone has spoken.
16. The Moderator may determine the method of voting except as determined by law. However, any voter who doubts the accuracy of any non-counted vote may require the Moderator to determine a vote by a counted show of hands or counted standing vote.
17. Any vote on a bond issue of over \$100,000 must be voted on by secret ballot. In addition, any five (5) voters may require that the vote on any Article or question be by secret ballot. To do so:
 - a. All five (5) voters must be present and identified, and
 - b. The request must be presented in writing to the Moderator prior to the end of debate on the Article or question.
18. Motions to Reconsider an Article may only be made immediately after the vote on the Article, and may only be made by a voter who voted on the prevailing side of the vote

to be reconsidered. However, the following limits may apply to the reconsideration of an Article:

- a. **Mandatory Restriction:** In accordance with RSA 33:8-a, if a Motion to Reconsider a ballot vote on a bond issue of over \$100,000 passes, the Article cannot be reconsidered until a reconvened Meeting that is at least seven (7) days after the original vote. With respect to bond vote, the restriction on reconsideration automatically applies without the need for the Meeting to vote for it.
- b. **Optional Restriction:** Voters may postpone reconsideration of any Article at the Meeting by voting to restrict reconsideration of the Article in accordance with RSA 40:10. If the Meeting passes such a motion, then the Article cannot be reconsidered until a reconvened meeting held at least seven (7) days after the date of the original vote.

Reminder: Since any rule of the Moderator or decision of the Meeting can be reversed or changed at any time prior to the end of the Meeting by a majority vote of the Meeting, there is no rule that can be adopted that can absolutely prevent the reconsideration of an Article.

19. The Moderator may vote on all Articles. However, the Moderator plans to vote only in two (2) instances:
 - a. To break a tie
 - b. To make a vote a tie vote if a motion the Moderator opposes would otherwise carry by one (1) vote.

Selectmen's Report 2018

Dear Friends and Neighbors in Center Harbor:

In 2018 your Select Board continued efforts to provide transparent, responsive, efficient and effective Town government while maintaining the excellent quality of life we all enjoy living in Center Harbor.

Here are some highlights from this past year:

Road Safety & Maintenance

- The Town continues to maintain a steady dialogue with the State of NH DOT to improve road safety, and the maintenance of State roadways in Center Harbor.
- Most of Coe Hill Road was repaved.
- Temporary repairs to Follett Road were made while waiting for State and Corps of Engineers permitting. The final permits were finally issued in November of 2018 and replacement of the culverts and paving will begin as soon as “mud” season is over this spring.
- Repair of Bartlett Hill Road.
- As part of our ongoing transparency effort a summary of additional roadwork to be completed in 2019 has been posted on the Town website. In addition, complete cost summaries for the 2018 road work has been posted on the website as well. Our priority for 2019 is finishing the Follett Road Rehabilitation. A complete plan of 2019 work is on the website and as always hard copies are available at Town Hall for your inspection.

Expense Control & Grants

Center Harbor continues to enjoy one of the lowest tax burdens in the State, but it is a constant struggle to keep expenses and taxes as low as possible, especially with the State, County and school assessments beyond our control.

For the 2019 budget year the Select Board again set an ambitious goal of a ZERO budget increase in the Town portion of the assessment and our department heads once again responded with budget proposals that got us very close to our goal. The proposed budget for 2019 is \$2,898,545 which is an increase of \$53,807 or only 1.89% over 2018's budget of \$2,845,738.

After applying \$45,237 from the unreserved fund balance, the total amount to be raised by taxation is \$2,853,494 which is only \$7,756 more than last year's budget or .27% We would like to acknowledge our Department Heads for their diligence in meeting our goal and thank them for being good custodians of the budget.

Center Harbor also appears to be gaining a reputation at the State level for being dedicated to Historical Preservation & Protection, which seems to be working in our favor when it comes to grant applications. The Heritage Commission continued to apply for and receive grants for repair

work on the Town House totaling \$10,000 this year. In addition the commission applied for and received a NH Preservation Alliance Grant of \$4,500 for a building conditions assessment of the Nichols Library. This brings the total grant money awarded to the Town since 2015 for historic properties to \$63,380.

Mapping

The Town added an Historic Resources map layer to the GIS web application which now includes identification and location of historic properties through Center Harbor.

Town Beautification, Economic Development & Building Community Spirit

The Center Harbor Community Development Association (CHCDA) continues to enhance the visual beauty of the Town and encourage more people to shop, dine and vacation in Center Harbor. Their ongoing effort to maintain the beautiful holiday lighting in the Village resulted in the Post Office adding holiday lights this year, with an assist from the Fire Department who volunteered to mount the lights on the building. At this point virtually every building in the Village is lighted during the Holidays, creating a warm welcoming atmosphere to residents and visitors alike. CHCDA is also continuing their sponsorship of both SkateFest and LobsterFest which draw hundreds of visitors to our Town to shop, dine and enjoy the beauty of Center Harbor, but more importantly brings the Community together for fun, conversation and fellowship. Our sincere thanks for their hardwork and the awesome community response!

Finally, we thank you for joining us at Town Meeting and exercising your rights in what is really the only remaining form of pure democracy on the planet. We especially thank you for the opportunity to serve the community and preserve the beauty and health of this wonderful little Town we all call home.

Respectfully Submitted

Harry Viens

At 7:00 P.M., Wednesday March 14, 2018, the Town Meeting was reconvened in the Fire Station to act upon Article 2 thru 18. Moderator Charles Hanson called the meeting to order. Mr. Hanson started the meeting by thanking everyone for attending. He also reminded us of the line in T. S. Eliot's poem "April is the cruellest month". Mr. Hanson went on to say he assumed that Mr. Eliot never spent any time in NH in the month of March with having three Nor-Easters in two weeks and possibly another on its way. He asked that all veterans and active service members in the audience stand to be recognized for their service. Mr. Hanson stated the process of New England Town Meetings has been enacted on since the 1600's and because of the sacrifices of the men and women in the armed forces we are still able to enact upon our Town Meetings. A round of applause was followed by the reciting of the Pledge of Allegiance which was led by two of the Town's fifth graders, Cecilia Hornkohl and Garbielle Sanchagrin. Mr. Hanson introduced the Deputy Moderators William Ricciardi and Peter Loudon, Selectmen Harry Viens, Selectman Richard Hanson, Selectman Richard Drenkhahn, Town Clerk/Tax Collector Mary Richardson, Selectmen's Administrative Assistant Robin Woodaman, Ballot Clerks Helen Heiner and Aimee Manfredi-Sanschagrin.

Mr. Hanson reminded everyone of the rules as the meeting moved forward to the voting on the articles.

Article 2. It was moved by Richard Drenkhahn and seconded by Marty LeRoy to see if the Town will vote to raise and appropriate the sum of \$987,473 to defray the Town charges for the ensuing year. (\$1,023,402 appropriated in 2017). (Majority vote required). The Article passed unanimously.

Article 3. It was moved by Harry Viens and seconded by David Hughes to see if the Town will vote to raise and appropriate the sum of \$601,229 for public safety. (\$579,860 appropriated in 2017). (Majority vote required). The Article passed unanimously.

	2018 Proposal	2017 Appropriation
Police Department	\$332,736	\$319,786
Fire Department	\$176,291	\$173,092
Ambulance	\$70,251	\$66,000
Lakes Region Mutual Fire Aid	\$20,801	\$19,832
Emergency Management	\$100	\$100
Red Hill Fire Tower	\$1,050	\$1,050

Article 4. It was moved by Richard Hanson and seconded by Marty LeRoy to see if the Town will vote to raise and appropriate the sum of \$338,128 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. This appropriation to be offset with estimated \$40,312 from State Highway Block Aid and the balance of \$297,816 to be raised by taxes. (\$339,501 appropriated in 2017). (Majority vote required). The Article passed unanimously.

Article 5. It was moved by Richard Drenkhahn and seconded by Peter Loudon to see if the Town will vote to authorize the Selectmen to enter into a five year lease-purchase agreement, in the amount of \$82,812, to purchase ten Self-Contained Breathing Apparatus for the Fire Department. The first payment is due one year from the lease date; no appropriation will be made in 2018. This lease-purchase agreement contains an escape clause. (Majority vote required). The Article passed unanimously.

Article 6. It was moved by Harry Viens and seconded by Gregory Hime to see if the Town will vote to authorize the Selectmen to enter into a four year lease-purchase agreement, in the amount of \$31,296, to purchase a pick-up truck for the Fire Department and further to raise and appropriate \$8,600 for the first year's installment to come from taxation. This lease-purchase agreement contains an escape clause. (Majority vote required). Craig Baker asked for an explanation for the need for a new pick-up. Moderator Hanson asked Selectman Harry Viens to speak in regards to the Article. Harry explained that the Fire Department has been delegated a used Police Cruiser in the past when in need but the Police Department won't be giving one up this year. Unfortunately the current vehicle will not pass inspection the end of March. The vehicle will be utilized by Parks & Rec as well as the Highway Department for different events. The Article passed by Majority vote.

Article 7. Special Warrant Article. It was moved by Richard Hanson and seconded by Robert Chance to see if the Town will vote to raise and appropriate the sum of \$137,001 to be placed in the following existing Capital Reserve Funds. (\$135,000 appropriated in 2017). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). The Article passed by Majority vote.

Capital Reserve Funds	2018 Proposal	2017 Appropriation
FD Self Contained Breathing Apparatus	\$1	\$5,000
FD Engine or Rescue Vehicle	\$75,000	\$50,000

Computer Equipment	\$5,000	\$5,000
Revaluation of Property	\$12,000	\$20,000
Total Capital Reserve Funds	\$137,001	\$135,000

Article 8. Special Warrant Article. It was moved by Richard Drenkhahn and seconded by Gregory Hime to see if the Town will vote to raise and appropriate the sum of \$342,001 to be placed in the following existing Expendable Trust Funds. (\$341,001 appropriated in 2017). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). The Article was approved by Majority vote.

Expendable Trust Funds	2018 Proposal	2017 Appropriation
Buildings Repairs & Maintenance	\$30,000	\$30,000
Energy Conservation & Improvements	\$10,000	\$10,000
Town Roads Repairs & Maintenance	\$300,000	\$300,000
Town Vehicle Repairs	\$1	\$1
Town Beautification	\$1,000	\$1,000
Town Properties Stewardship	\$1,000	\$4,000
Total Expendable Trust Funds	\$342,001	\$345,001

Article 9. It was moved by Harry Viens and seconded by William Ricciardi to see if the Town will vote to raise and appropriate the sum of \$183,819 for the disposition of Solid Waste. (\$181,164 appropriated in 2017). (Majority vote required). The Article passed unanimously.

Article 10. It was moved by Richard Hanson and seconded by Craig Baker to see if the Town will vote to raise and appropriate the sum of \$91,391 for the operation of the James E. Nichols Memorial Library, \$9,300 to be paid from trust and other funds and the balance of \$82,091 to be raise by taxes. (\$89,589 appropriated in 2017). (Majority vote required). The Article passed unanimously.

Article 11. It was moved by Richard Drenkhahn and seconded by Marty LeRoy to see if the Town will vote to raise and appropriate the sum of \$92,728 for recreational activities. (\$91,063 appropriated in 2017). (Majority vote required). Gwen Bronson asked if this amount in Patriotic Purposes included the amount Moultonboro contributes toward the 4th of July fireworks. Richard Drenkhahn confirmed that it does include the total of \$17,500 for the fireworks, half of which Moultonboro reimburses. The Article passed unanimously.

	2018 Proposal	2017 Appropriation
Parks & Recreation	\$48,278	\$46,163
Patriotic Purposes	\$28,900	\$29,600
Town Band concerts	\$15,550	\$15,300

Article 12. It was moved by Harry Viens and seconded by Alice Field to see if the Town will vote to raise and appropriate the sum of \$1,000 for the Centre Harbor Historical Society. (\$1,000 appropriated in 2017). (Majority vote required). The Article passed by Majority vote.

Article 13. It was moved by Richard Hanson and seconded by Gregory Hime to see if the Town will vote to raise and appropriate the sum of \$12,500 for Direct Welfare. (\$15,000 appropriated in 2017). (Majority vote required). It was moved by Harry Viens and seconded by Gregory Hime. The Article passed unanimously.

Article 14. It was moved by Richard Drenkhahn and seconded by David Hughes to see if the Town will vote to raise and appropriate the sum of \$44,868 for the support of the following health and welfare agencies (\$44,868 appropriated in 2017) (Majority vote required) Craig Baker asked if due to the aging of the community if we take a look to see if we are funding appropriately. Harry Viens said that they get the requests from the different agencies and each agency have reports showing the formulas used to arrive at the requests. The Article passed unanimously.

Agency	2018 Request	2017 Appropriation
Lakes Region Visiting Nurse Assoc.	\$20,000	\$20,000
Winnepesaukee Wellness Center	\$6,000	\$6,000
Community Action Program	\$8,800	\$8,800
Inter-Lakes Day Care Center	\$4,848	\$4,848
New Beginnings	\$1,020	\$1,020
American Red Cross	\$1,000	\$1,000
Lakes Region Mental Health Ctr.	\$1,500	\$1,500
CASA	\$500	\$500
Interlakes Community Caregivers	\$1,200	\$1,200

Article 15. Special Warrant Article. It was moved by Harry Viens and seconded by David Hughes to see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of the rehabilitation of the Center Harbor Town House; funds to be placed in the existing Heritage Fund. (\$5,000 appropriated in 2017). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). The Article passed by Majority vote.

Article 16. It was moved by Richard Hanson and seconded by Gregory Hime to see if the Town will vote to allow a discount of two (2) percent on property taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector. Katri Gurney asked what the benefit was to giving a (2) percent discount for the Town. Harry Viens explained that it helped with the Town's cash flow in getting money in sooner so that the Town would not have to borrow funds and pay interest. Plus it benefits the Taxpayers to pay sooner. The Article passed unanimously.

Article 17. It was moved by Richard Drenkhahn and seconded by David Hughes to see if the Town shall allow the operation of Keno games within the Town. By petition. (Majority vote required). Mr. Hanson asked if there were any objections to having Amy Elflin and Paul Ursillo who submitted the Petition Article to speak on behalf of the Article not as registered voters but as owning the Mug Restaurant in Town. There were none so Amy explained the reasoning behind Keno. It was started by the NH State Lottery Commission for help funding all-day kindergarten for all towns. It can only be held in restaurants that serve liquor and have a separate bar area. The game can only be held in the bar area and you have to be 18 years of age to play. The closest Town/City that allows Keno is the City of Laconia at this point. A few of the establishments in Laconia are offering it with good results. The revenue that is generated is broken out as follows; seventy percent goes to payout of prize money, 19% goes to all day kindergarten and the rest to the business for administrative costs. Amy and Paul are looking for something different for their patrons and hope to add to their food and spirits sales as well. Robert Vogler asked for clarification on the payout. William Hornkohl asked about how the state determines allocation of the funds to the schools. Amy was not sure of how they do it. Gwen Bronson asked if our school provides all day kindergarten to our students. Which we do. Linda Swenson asked if there would be other businesses in town that could offer it as well. Paul Ursillo said he could think of two: Canoe and Waukegan Golf Course. Richard Drenkhahn asked if the business that offered it has to have a full liquor license. Amy replied they do. Moderator Hanson said in actuality if Lavinia's opened back up they could also. Robert Vogler asked what the advantage would be for us to allow Keno when we already have all day kindergarten. Richard Drenkhahn explained that it would help lessen the local education tax for taxpayers. Amy Elflin wanted to clarify that all day kindergarten is being pushed nationwide and that this is one of the reasons that some of the schools have gone to all day kindergarten already. Greg Hime encouraged everyone to vote against the Article. He feels that gambling is morally wrong. He feels that the money that our school would get from the pool wouldn't be all that much. Luke Dupuis thinks this vote would be a really nice way to support a small business in the community. William Ricciardi asked if we were to vote in favor of the Article and if there were negative impacts could we reverse the Article next year. Mr. Hanson said if some people wanted to submit a Petition Article or the Selectmen wish to submit an Article it could be voted on at next year's Town Meeting. Katri Gurney spoke on how important early education is in the

younger years and the impact it gives for lower income families and single mothers that need a full day setting for their child to make it helpful for her to work a job. She felt it was very worthy to support the Article. Lennart Swenson wanted to know if it would affect the upper grades in any way. Richard Hanson said that it would not because Keno only helps lessen the burden of all day kindergarten for schools. Gwen Bronson said it was her understanding it will only help the schools that don't offer all day kindergarten now. No one could confirm for sure on this but Amy Elfline said her understanding was all schools would receive something from it. Susan Gurney stated even if it doesn't support this specific place it still supports education in our State. It's a win for everybody. With no further comments a hand count was taken. The Article passed 39 for and 17 against.

Article 18. To transact such other business that may legally come before the Town Meeting, including to choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen. Mr. Hanson asked if anyone would like to add any additional comments at this time. Greg Hime would like to thank everyone in the Town for what they have done and the service they provide. He was extremely pleased to see the budget that was presented. Holding the line in these days is extremely important and he appreciates the departments for holding the line. Moderator Hanson thanked the Fire Department for all they do to get the Town Meeting setup as well. Richard Drenkhahn wanted to thank all the employees and volunteers that help the Town. He also said there are some boards that are in need of some volunteers particularly the Zoning Board. Harry Viens wanted to thank the Center Harbor Community Development for all they have done for the Town. A round of applause was followed. Helen Heiner asked that everyone turn in their voter cards on their way out. David Johnson asked for the election results. Lennart Swenson wanted to thank all the folks that walk with open bags picking up garbage that has been thrown out. Mr. Hanson asked if there was any further business that anyone wanted to bring before the town. With no further business it was moved by William Ricciardi and seconded by Harry Viens to dissolve the meeting at 8:46PM.

Respectfully submitted by,

Mary Richardson
Town Clerk

STATE OF NEW HAMPSHIRE
TOWN OF CENTER HARBOR

TOWN WARRANT

To the inhabitants of the Town of Center Harbor in the County of Belknap in said State,
Qualified to vote in Town Affairs:

You are hereby notified to meet at the Cary H. Mead Meeting Room in said Center Harbor on Tuesday, the twelfth day of March 2019 at eight of the clock in the morning until seven of the clock in the evening to act upon Article 1-A through 1-E. You are hereby notified to meet at the Fire Station in said Center Harbor on Wednesday, the thirteenth day of March 2019 at seven of the clock in the evening to act upon Articles 2 through 17.

Article 1-A. To choose all necessary Town and School Officers for the year ensuing.

Article 1-B: Are you in favor of the adoption of Amendment 1-B, as proposed by the Planning Board, for the Town Zoning Ordinance, to amend ***“Sub Section 10:6:3:3:1 number 2 to read Within the Waterfront Buffer, tree coverage is managed with a 25 foot by 50 foot grid segment and point system. Trees and saplings may be cut, provided the sum score of the remaining trees and saplings within the grid segment is at least 25 points.*”**

(Recommended by the Planning Board)

Article 1-C: Are you in favor of the adoption of Amendment 1-C, as proposed by the Planning Board, for the Town Zoning Ordinance, to amend ***“Sub Section 10:6:3:3:2 to read Maintenance of a Waterfront Buffer- Starting from the northerly or easterly boundary of the property, and working along the shoreline, the water front buffer shall be divided into 25 foot by 50 foot grid segments. Within each grid segment a minimum combined tree and sapling score of at least 25 points shall be maintained. If for any reason there is insufficient area for a full grid segment, the number of points required to be maintained in that partial grid segment shall be proportional to that required of a full grid segment.*”**

(Recommended by the Planning Board)

Article 1-D: Are you in favor of the adoption of Amendment 1-D, as proposed by the Planning Board, for the Town Zoning Ordinance, to amend ***“Sub Section 10:6:3:3:2 number 3 to read If the total tree and sapling score in any 25 foot by 50 foot grid segment exceeds 25 points, then trees and saplings may be removed as long as the sum of the scores for the remaining trees and saplings in that grid segment does not total less than 25 points.*”**

(Recommended by the Planning Board)

Article 1-E: Are you in favor of the adoption of Amendment 1-E, as proposed by the Planning Board, for the Town Zoning Ordinance, to amend ***“Sub Section 9:1:3 second paragraph to read Beginning at a point where the northwesterly corner of tax map lot*”**

number 102-002, also known as the Nichols Memorial Library property, and the northeasterly corner of tax map lot number 102-003, also known as the Morrill Memorial Park Association property meet; then following a straight line to the northwesterly corner of tax map lot number 102-079; then following the boundary of tax map lot number 102-079 in a southwesterly direction to the southeasterly corner of tax map lot number 102-079 at a point where the boundary intersects with Main Street; then following Main Street in a northeasterly direction to the corner of Main Street and Plymouth Street a.k.a. Route 25B;

2018 AUDIT

The Town of Center Harbor is under contract with Grzelak & Company to be audited in 2019. The audit will be available in the Town Office upon completion.

The James E. Nichols Memorial Library Librarian's Report

Heiner Memorial. On Wednesday, July 23rd, a stone bench dedicated to the memory of Dr. Jay Heiner was installed on the library grounds. Dr. Heiner, who passed away in 2016, was a prolific reader and a life-long learner. His diverse interests ran from comparative religion and scriptural studies to thrillers and fantasy fiction. The bench, dedicated to this "Lover of Books", is for all who share his delight in reading and learning.

Library Assessment. An architectural assessment to determine the long-term health of the library was done in 2018. The assessment was made by Alba Architects (Woodstock, NH). A final report will be made in 2019, but the preliminary report affirmed fundamental soundness of the building. The trustees applied for an NH Preservation Alliance grant to offset the cost of the assessment. Karen Ponton of the Heritage Commission and Annette Nichols of the trustees were instrumental in preparing the grant request and working with the assessors.

Coming in 2019. We will be adding more digital content in the form of streaming books, music and movies from **Hoopla**. Our Catalog system, **Atrium**, is being enhanced to include book descriptions and author notes. In January, the library will have a new computer server and workstations installed. The computers are partially funded by a \$4,000 donation from the Center Harbor Community Development Association; the remainder by the Nichols trust accounts.

Library and Collection Development. The Nichols circulated 11,579 items; Patrons downloaded 1048 eBooks, 484 audios and 38 magazine articles. Use of NH Downloadable Books has gone up since we first offered the service in 2012

A substantial weeding of the non-fiction collection and media accounted for the larger number of removals.

Services for Patrons. There were 4,938 visits to the library and 75 new library cards issued.

Library staff answered 165 reference questions, provided 173 book advisories and supported 93 patrons in the use of electronic resources. The library borrowed 496 materials from other libraries for library patrons; 807 items were loaned to other NH libraries. Our passes (Science Center, Castle in the Clouds) were used 31 times. In 2019, we will add a pass to the Wright Museum in Wolfeboro. Our bi-monthly email newsletter, articles in the Meredith News and posts on social media kept patrons informed on library news and events.

Computers and Digital Media. The library's computers were used 335 times by patrons and guests; our Wi-Fi network was accessed by 164 recorded users in the library; additional uses took place outside. Family researchers made use of the AncestryPlus (2,040 searches) and HeritageQuest (2,104 searches) databases. Our EBSCO databases, which provide access to Consumer Reports, other magazines, the NoveList book advisor, were used 313 times; 105 articles were downloaded. Library staff also copied, scanned and faxed numerous documents for patrons.

Building and Grounds. Damaged roof tiles were replaced in July. A broken support brace on the library hours sign was repaired by Paquette signs (Meredith, NH). The latch on the gate to the back stairs was repaired by the town highway department. A malware breach of the library's security system briefly took our catalog offline. AdelXT (Derry, NH) restored our system and installed enhanced security protocols.

Library Staff, Trustees and Friends of the Library. Librarian Jon Kinnaman re-designed the library's website, sat on the Town's Joint Loss Management Committee, took part in a panel at the Small Libraries Summit, and chaired the Scrooge and Marley regional library coop. Library assistant Glenn Walter and summer assistant Kim Anderson did their usual fine work in assisting patrons and processing materials

The Library Board of Trustees deserves special thanks for the many hours of service given to Nichols Library. New on the board for 2018 were Susan Gurney, Bette Miller and Annette Nichols. Jesse Foley, an alternate since 2011, retired from the board. Long serving members Helen Heiner and Karin Karagozian announced their intentions to retire in 2019; Jo Morse will be changing her status to alternate.

Many people who contributed to the well-being of the Library in 2018. We appreciate the many patrons who made gifts to the library. Thanks go out to Karen Ponton and Annette Nichols, for their work on the assessment; Bob Beem, for building maintenance; Altrusa of Meredith, for delivering books to homebound patrons, the CH highway department, for maintenance help, the CH fire department, for clearing the walks during the winter; the CH Selectmen, for their responsiveness to library needs; and finally, the people of Center Harbor for their ongoing support of this historic library.

A. J. Kinnaman, Town Librarian

2018 Annual Report

Center Harbor Fire Department

The Fire Department responded to a total of 335 emergency fire and medical calls this year. There were 183 medical related calls and 152 fire related calls. Response times, from time of tone until first unit arrival, are 14 minutes or less 89% of the time. We arrived in 10 minutes or less 73% of the time. Statistically, Saturdays had the most emergencies with 57 calls followed by Sundays with 52 calls. The least busy day was Thursdays with 39 calls. The busiest month was July with 43 calls.

Currently, we have 21 members and 3 explorers. Of the 21 members, 13 are Emergency Medical Technicians. We have 3 Paramedics, 5 Advanced EMT's and 5 Basic EMT's. We have 17 Certified Firefighter's of which 10 are certified to Firefighter Level 2, 5 are Firefighter level 1 and 2 are certified to the Career level. This past year we had 3 members take an Emergency Medical Technician class. One member took the Firefighter Level 2 class. Both of these classes were held over the course of several months. Classes were 2 nights a week in Concord from 6-10 PM and also involved some Saturdays. This is a major commitment for these individuals, as well as all the members that have taken these classes in the past, due to the fact they have full time jobs and a family life. The dedication to the department and the Town is very much appreciated.

Please remember to upgrade your old smoke detectors and change your detector batteries (change your clock – change your batteries). Smoke detectors have a service life and may not function properly after a period of time. You should check the manufacturer's life expectancy for the units you have in your home. If you should have any questions or desire the Fire Department to do a safety walk through of your residence or need assistance/advice with installing or changing these devices, please feel free to call the fire station at 603-253-4451. In addition, please remember to add carbon monoxide Detectors on each level of your home for added protection and safety. These units give an added level of safety to your home.

As always, I would like to thank all our members for their dedication. Without you there would be no Fire Department. A gracious thank you to Bonnie Burgess for her donation of AED's in the Cary Mead Room and the library. Thank you to both the Selectmen and to the residents of Center Harbor for your unwavering support.

Respectfully submitted,

Leon Manville, Fire chief

Report of Forest Fire Warden and State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers' fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2018 season threatened structures and one structure was destroyed, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

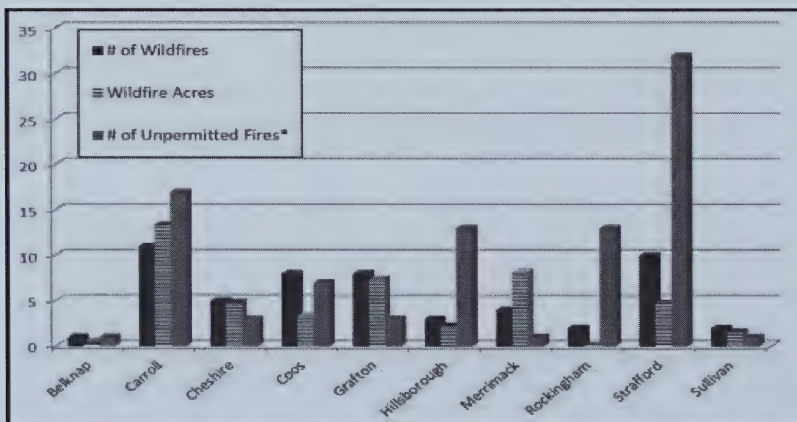

In 2019, we will be recognizing Smokey Bear's 75th birthday! Dressed in a ranger's hat, belted blue jeans, and carrying a shovel, he has been the recognized wildfire prevention symbol since 1944. The NH Forest Protection Bureau and local fire departments will be celebrating Smokey Bear's 75 years of wildfire prevention throughout the year. Smokey's message has always been about personal responsibility – remember his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **“Remember, Only You Can Prevent Wildfires!”**

As we prepare for the 2019 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.nhfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Red Hill Fire Tower Association End of Year Report for 2018

This year the red Hill Fire Tower was opened in early April. After removing the winter window shutters, we found several windows that suffered winter damage and needed replacement. That glass was purchased at a local glass company, carried up the mountain and put into place the next day. This year we purchased a Workers' Compensation Coverage to cover the four individuals that the association had working the tower this year. The association also purchased a digital radio for communications with surrounding fire dispatch centers. The analog radio we were using was not working correctly and the radio that belongs to the New Hampshire Division of Forests and Lands did not work at all.

As a group we recorded over 400 hours this year at the tower. There were very few Class 3 fire danger and above days so we focused our efforts on maintenance and repairs to the site. It is our hope that next year the fire tower personnel can spend several days on site when the State has higher fire danger days.

The Association would like to thank the towns of Center Harbor, Meredith, Tuftonboro, Sandwich and Holderness for helping us keep the tower funded.

Respectfully submitted,

Eleanor Mardin

Center Harbor Police Department

2018 Annual Report

The Center Harbor Police Departments 2018 Annual Report is dedicated to Master Patrol Officer Donald M. Welch Jr. MPO Welch joined the Police Department in September of 2005. He quickly became a valued employee and earned the respect of both the residents of Center Harbor and his colleagues for his caring nature, job knowledge and his exemplary level of fitness. MPO Welch handled numerous investigations and oversaw the department's field training program. On December 13, 2017 MPO Welch sustained a devastating knee injury while on duty. The injury required surgery and MPO Welch spent the next year rehabilitating with the intent of returning to the line of duty. Unfortunately, the injury has left him unable to perform the job requirements and has forced him into early retirement. We salute Master Patrol Officer Welch as he will be sorely missed by all.

2018 remained consistent with the last several years in that our part-time and full-time officers have rallied together to cover the shifts per week that we are responsible for. Often times that meant the part-time officers worked several months in a row without a day off as they fulfilled their obligations to their full-time employers as well as their obligations to Center Harbor. Their commitment to Center Harbor is admirable. Many are over worked and could have made more money working overtime for their full-time departments but they didn't because of their loyalty to our town. The part time officers are only physically able to continue this schedule for a period of time. This is why we often times lose them after a few years. This is an inefficient cycle that needs to be broken in the near future.

Two of our part-time employees received awards this year. Officer Kristen Guest, School Resource Officer for the Alton Police Department, was named the D.A.R.E. Officer of the Year. Investigator Robert Donnelly was honored with a Community Policing Award from McDonald's restaurants. Investigator Donnelly also worked with the Moultonborough Lions Club to install a permanent Drug Take Back box in the lobby of the Police Department so that unused medications can be disposed of properly. In addition, he secured a bicycle helmet grant through the Children's Hospital at Dartmouth and collaboratively distributed the helmets with the Center Harbor Parks and Recreation Department.

To ensure we remain operationally ready we participated in two active school shooter trainings. The first was with the Meredith Police Department where we focused on proper entry. The second was with the Laconia Police and Fire Department's where Sergeant Weiss and I served in command roles in a full-scale regional exercise to prepare us for overall scene management. On the administrative side, we are adhering to best practices protocol by hiring consultants to perform an evidence room audit and to review and update our policy manual. We also had the pleasure of hosting an intern from the Inter Lakes High School.

Over the past year I have received many inquiries regarding pistol permit requirements. In 2017, a law was passed that states pistol permits are no longer required in the state of New Hampshire. Residents may still apply for a permit at the Police Department. The benefit of having a permit is the ability to travel to other states, where a permit is required, and who have reciprocity with New Hampshire.

In 2018 we secured a Sustained Traffic Enforcement Patrol grant for the NH Highway Safety Agency. This grant refunds 100% the officers time spent specifically on patrols used to target areas where high levels of motor vehicle violations are occurring. The overall intent of the grant is to reduce accidents. These patrols cannot be part of the officer's normal patrol schedule. Unfortunately, with the reduction of available funds we no longer qualify for this grant. In 2019 we are receiving two smaller grants that will allow for a handful of patrols targeting DWI violation and Pedestrian Safety Enforcement.

The opioid epidemic continues to have an effect on our community. We have been investigating multiple drug related thefts and burglaries. In one case several drug addicts broke into a seasonal home and remained there for a couple weeks before being discovered. They left behind drug paraphernalia including needles, spoons and tourniquets from their heroin / fentanyl use. The only connection the main suspect has with Center Harbor is the purchase or sale of drugs. What makes these cases difficult is that the crimes are commonly being committed late at night when there is neither a local or state police presence. In an effort to help combat the opioid epidemic, Sergeant Weiss has and continues to participate in the grant funded Belknap County Drug Task Force.

In 2018 the police department saw an increase in the Crimes Against Person and Crimes Against Property and a decrease in Crimes Against Society. Although the increases and decrease were not significant, we are always working towards lowering these numbers. A total of 2425 calls for service were handled over the year. A synopsis of these numbers includes: 27 arrests, 43 motor vehicle accidents, 71 motor vehicle complaints, 36 motorist assists, 18 motor vehicle lock outs, 966 motor vehicle stops, 93 assists/responses with the Fire Department, 54 suspicious incidents, 44 citizen assists, 19 well-being checks, 25 right-to-know request, 58 alarms, 31 grant patrols, 84 other agency assists, and 245 residential property checks.

Inclosing I want to say thank you to the citizens of Center Harbor. It is an honor to serve you.

Respectfully submitted,

Chief Mark C. Chase

Center Harbor Parks & Recreation 2018 Annual Report

Town Beach Parking Permit Policy: On 10/10/2018 the Board of Selects adopted a new Town Beach Permit Policy for Center Harbor and Moultonborough residents, property owners and their guests. The purpose of this policy is to ensure that Center Harbor residents, their family and guests have sufficient parking for easy beach access. This includes Lake Street parking next to the Town Beach and the “dirt” beach parking lot next to the basketball court. A copy of this policy was mailed to all Center Harbor residents with their tax bill. ***A copy of this policy is included in this 2018 Annual Report. Beach Parking Permits will go into effect starting Memorial Day weekend 2019.***

New Beach & Boat Trailer Parking Signage: (to go into effect starting Memorial Day Weekend 2019)

- Welcome to Center Harbor Beach / Parking By Permit Only / Memorial Day to Labor Day / \$75 Fine
- Beach Parking / Permit Required
- Boat Trailer / Parking Only / Violators Will Be Fined
- Parking For Town Docks
- Beach Parking Permit Required

Portable Toilet Facilities: Portable toilet facilities are now scheduled to be delivered on May 1st to Center Harbor Town Beach (1 standard & 1 handicap), Center Harbor Ball Park (1 standard), and High Haith Beach (1 standard). These portable facilities shall remain at these locations through October 15th.

Employee Appreciation Luncheon: A staff luncheon was held on January 12th to show gratitude to the employees of Center Harbor. Several employees from all departments joined together in the Cary Mead Room. A special lunch was catered by Canoe, Magic Foods Restaurant Group of Center Harbor. Many thanks go to Scott Ouellette for “donating” the food and his time for this special event.

Skatefest: The Town of Center Harbor and the Center Harbor Community Development Association hosted the annual “Skatefest” on February 18th. All departments in the town assisted in making this event successful once again. Warm weather made for poor ice conditions where the skate demonstration and snowmobile events were cancelled. Many families turned out to sample free food from local restaurants and businesses. Families enjoyed DJ music, the bon fire, rides on the Moultonborough Snowmobile Club ATV, and a special water/ice rescue demonstration by Lt. Adam Schaub (and crew) of the Center Harbor Fire Department.

Easter Egg Hunt and Party: The annual Easter Egg Hunt and gathering continues to be a favorite Parks & Recreation event. Although the egg hunt took place end of March, the day turned out to be a beautiful sunny day! Many families turned out for the egg hunt on the Center Harbor Municipal Building grounds. Everyone then gathered in the fire station for snacks, cookie decorating, Easter arts & crafts, and raffle prizes. Special thanks go to the Center Harbor Congregational Church for donating stuffed animals for raffle prizes! And thanks to our fire department for all their help and time in the station.

Memorial Day: The Memorial Day parade is always held on Memorial Day at high NOON. Emily Eynon, music and band director of Inter-Lakes High School, is instrumental in making our Memorial Day parade meaningful and successful with her students. Many people turned out to pay their respects. The Inter-Lakes Marching Band, Meredith Legionnaires, Center Harbor Fire Department Honor Guard and guests marched in the parade. Many thanks go to Rev. Fred Doscher for his prayer and Memorial Day message. Special thanks go to Tripp Cantwell of New Hampton for his escort in his 1952 Korean War Army Jeep.

Parks & Recreation Staff: Four new staff members were hired for the summer 2018 season – one boat launch attendant and three lifeguards. One returning lifeguard also worked as the WSI swim instructor. We had a great summer season! One of our programs at the Town Beach included the “Bike Helmet Safety Week”. Free bike helmets and safety vests were given to people from ages 3 to 75. Supplies for this event were sponsored by the New Hampshire State Police. Special thanks to Officer Robert Donnelly for helping organize this with Parks & Recreation.

4th of July Celebration: The 40th Annual Center Harbor Footrace took place this year. There were many local businesses who sponsored the 4th of July Footrace (Bootleggers, Center Harbor Inn, Dewey’s, The Edge, EM Heath, Meredith Village Savings Bank, Jackie’s Boutique, Yikes Gallery and Rubbin Butts BBQ). THANK YOU SO MUCH FOR YOUR SUPPORT! Several volunteers from the Center Harbor Congregational Church, along with community volunteers and Town employees helped make this a smooth and safe race day. The Cary Mead Room was opened up as a “Cooling Room” for racers. Automatic timing was provided by Bay State Race Services and

results were instantly posted. Due to extreme heat, the awards ceremony took place in the fire station. Numbers were down from 2017 and there were 493 registered for the races this year. This may have been due to a midweek (Wednesday) celebration, heat and humidity. The 4th of July Parade was well-attended by many spectators. The theme of this year's parade was "40 Years Center Harbor Footrace". The Center Harbor Town Band performed magnificently under the magic wand of Director Carlos Martinez. The concert was truly awesome! Our fireworks in Center Harbor were set off at 9:20 PM by Atlas Pyrovision and were a sensational hit to end our celebration with a beautiful display of glory. (Note: The Town of Moultonborough pays for one half of the total price of the fireworks provided by Atlas)

Parks and Recreation Activities: Summer activities and programs for youth/children included swim lessons, tennis lessons, arts & crafts at the beach, bike safety week, and Harbor Kids beach party and scavenger hunt. Adult/senior Tai Chi started up in the fall with instructor Russell Jones. This has turned out to be a popular class for locals. Classes are held every Tuesday 9:00-10:00 AM at the Municipal Building on Main Street. The fee is \$5 for residents and \$10 for non-residents per class. Pickleball courts and equipment are new to Center Harbor! New courts were painted in September – two courts at the tennis courts off Rt. 25B & Rt. 3 and one court at the basketball court in Center Harbor next to Rt. 25 and the Town Beach. Portable nets, paddles and balls are available for use by contacting chparksandrec@metrocast.net.

Parks & Recreation 2018 Revenue:

- 4th of July Footrace \$12,845
- Swim & Tennis Lessons \$ 375
- Boat Launch \$13,620
- Fishing Tournaments \$525
- Tai Chi Classes \$505
- **Total P&R Revenue: \$27,870**

Lobsterfest: The fourth annual "Lobsterfest", sponsored by the CHCDA business group, took place on August 2nd. Lobster and Chicken dinners and kid's meals were served from the fire station on this lovely August evening. Tents filled main street and locals enjoyed the community togetherness with good food and music on the bandstand. Many thanks go to the CHCDA businesses and volunteers who continue to do great things for our community!

Concerts: Under the direction of Carlos Martinez, The Center Harbor Town Band held concerts at the bandstand every Friday night. The membership continues to grow, spectacular guest singers come to perform, and talent increases in this wonderful Town Band. Due to severe thunderstorm warnings and dangerous travel for band members, two concerts were cancelled. Guest concerts for August included, "60's Invasion", "Carter Mountain Brass Band", and "Annie

& The Orphans.” A rain date policy will be put into effect for the Center Harbor Town Band for the 2019 season. If weather is severe, concerts will be postponed to the following Saturday night. For the August “guest concerts”, there will be NO rain date, but concerts will be moved to the fire station for that night. (See a list of concerts for 2019 in this Town Report)

Halloween Party: The Halloween egg and treat hunt took place on the municipal building grounds on a drizzling night. We had a good crowd in spite of the drizzling rain. Families then came into the fire station get warm and gathered for pizza, hot chocolate, cider, chips and cookie decorating, arts and crafts, mini pumpkin decorating, selfie/photo station and community fellowship. Many thanks go to the fire department for their help in set-up, clean-up and use of the fire station.

Christmas Tree Lighting / Bandstand: The annual Christmas Tree Lighting took place on Friday, November 23rd. This year’s tree came from Moulton Farm and was donated to the town by Joan Dole, in memory of her dear friend, Peg Lamprey. The tree and wreaths were set up by Parks & Recreation. Special thanks go to Bill Ricciardi, Jill Weed and Marty LeRoy for putting the white lights on the bandstand.

Many THANKS go to all the town employees, volunteers, newcomers to the town, and friends in Center Harbor for your support and appreciation.

Sandy Frost, Director of Parks & Recreation

Center Harbor Town Beach Parking Permit Policy

(adopted 10/10/2018)

The Center Harbor Town Beach is located on Lake Winnepesaukee off Route 25 at 24 Lake Street, Center Harbor, NH. The Center Harbor Town Beach is a residential town beach for the use and enjoyment of Center Harbor and Moultonborough residents, property owners and their guests.

Center Harbor Town Band 2018

We continue to be a great entertainment venue for summer visitors and for locals by evidence of the number of people who attend our concerts! This year we experienced the largest crowds ever! The Center Harbor Town Band has now been affectionately dubbed, *"The Boston Pop's of the Lake's Region!"*

The Center Harbor Town Band (CHTB) had a total of four performances out of six for its 2018 summer season including a 4th of July Parade, with three rehearsals due to two performances being "rained-out".

The town's 4th of July Fireworks event drew many hundreds of people. Thanks again to Charley & Jenn Hanson for providing their tractor trailer for the 4th of July parade. This year we had a special guest vocalist from the Trans-Siberian Orchestra whose appearance attracted more than the usual crowd!

The CHTB band member roster has 47 players. We gained five more players this year as more and more players hear about the high level of professionalism we offer!

This year we had two very unusual "rained-out Friday evening concerts." During rain, the band normally performs in the fire station, however for two Friday's in a row we had "severe weather warnings" and had to cancel the performances for the safety of all. Because of the cancellations, we have decided to implement "rain dates" so that the CHTB may continue to offer concerts in the event of a cancellation.

Our audiences continue to love the "sing-along" portion of the program. Many have complimented that they mostly come because of the "sing-alongs".

The CHTB would like to express its thanks and gratitude for the town selectmen's outstanding support. We would also like to thank Jeff Haines, Center Harbor Road Agent for his contributions each concert season in setting up the bandstand extension and for having the chairs and music stands available for the concerts. We especially thank Robin Woodaman and Sandy Frost, Parks and Rec. Director and the Town Office ladies.

A special shout out goes to Adam Schaub and the fire station personnel for their help every year in moving the fire trucks for our pre-season rehearsals and for their presence during our concerts. Without being asked, Adam voluntarily helps with the moving of stands, chairs and equipment. We are grateful for his hard work and willingness to help!

The CHTB would also like to personally thank Ms. Tricia Craig, a flute player in our band. Ms. Craig is affectionately known as our "Facebookologist". For several years, Tricia has single handedly maintained our Facebook page and has done a fantastic job of constantly updating our concert events, inserting photos of our band members as well as our concert attendees. We have received many compliments from our local patrons about the CHTB Facebook page. Since our Facebook page is so popular, we have a very large fan base. Due to her work, the popularity of our band has grown both locally and across the web!

The CHTB also has a website where people can go visit to retrieve information about upcoming concerts and listen to band excerpts. The site address is: www.centerharbortownband.com

This year marked the twelfth-year anniversary of my being town band director. I have greatly enjoyed bringing wonderful music and entertainment to the town of Center Harbor! It has been such a privilege and

an honor working with such a great band and a fantastic and supportive group of selectmen and town employees!

Respectfully submitted,

2018 Center Harbor Planning Board Report

2018 was a relatively calm year for the Planning Board (Board) as there were few major issues to address over the year. The current Planning Board is made up of members Peter Loudon, Bill Riccardi, Charley Hanson, David Reilly, Kelli Kemery, Mark Hildebrand, Selectmen's representative Harry Viens; and alternate members Bob Coppo, Winnifred Boynton and Planning Board Clerk Aimee Manfredi-Sanschagrin.

In 2018, the Board met 13 times, and reviewed or acted upon, the following proposals/issues:

- 75 Construction Permits were reviewed and issued in 2018 of which four were new structures on vacant land, 2 were demo and new build
- Reviewed and made changes to Section 5:9 for 2018 Town Meeting consideration.
- Approved a site plan for Mark C. Haines Investment Trust
- Approved Boundary Line Adjustments for Cynthia Christensen and Daniel Christensen and for Pamela Markley and David and Nicole Bemiss.

The Center Harbor Planning Board reviewed the Master Plan objectives in March. The individual departments/Boards/committees made significant progress in completing previously assigned tasks and provided input on new objectives for the upcoming year(s).

Many thanks from the Board to our clerk, Aimee Manfredi-Sanschagrin for her tireless efforts to keep us on task and following our rules and procedures, not to mention assisting residents and others who have questions about our zoning. In addition the Board thanks Code Enforcement Officer Ken Ballance for his assistance over the year. And we appreciate Town Attorney Chris Boldt, who is available any time the need arises, but fortunately very little this year.

I would also like to thank all the current members for serving on the Planning Board, sometimes a very challenging place to be.

The Center Harbor Planning Board meets the first Tuesday of the month at 7 p.m. Citizens are encouraged to stop by any time.

Respectfully submitted,

Charley Hanson, Chair

2018 Center Harbor Zoning Board of Adjustment Report

2018 was a busy year for the Zoning Board of Adjustment (Board). The Board was seeking interested residents to fill vacant seats. The Selectboard appointed three new alternate members Susan Patz, Stephany Marchut Lavallee and Gregory Hime. In addition, the current Board is made up of Chairman Bernie Volz, Vice Chair Jean Meloney, Members George Lamprey, Chris Williams, Anthony Avrutine, Alternate Members Palmer Smith, Karen Ponton and Zoning Board Clerk Aimee Manfredi-Sanschagrin.

In 2018, the Board met 9 times and acted upon the following cases:

- Variance request for Joseph Battaini of 24 Dew Point Lane which was denied
- Request Motion for Rehearing for Mark Sudbey (formerly Battaini) of 24 Dew Point Lane which was denied
- Variance request for Bruce Bond of 18 Mayo Shores which was granted with conditions
- Variance for Mark and Lisa Olsheskie of 28 Brookside Lane which was granted
- Variance for Mark Sudbey of 24 Dew Point Lane which was denied
- Equitable Waiver of Dimensional Requirement for Slava V. Gaufberg of 542 Dane Road which was granted
- Variance for Slava V. Gaufberg of 542 Dane Road which was granted
- Request Motion for Rehearing for Mark Sudbey of 24 Dew Point Lane which was denied
- Variance for Hukweem Realty Trust of 340 College Road which was continued
- Special Exception - Amendment for Gary and Elizabeth Laflamme of 28 Daniel Webster Highway which was granted

After 12 years of presiding on the Zoning Board of Adjustment, Palmer Smith has decided to resign. On behalf of the Town and ZBA, I'd like to thank Palmer for his service as an alternate member.

The Center Harbor Zoning Board of Adjustment meets the Second Monday of the month at 7 p.m. as needed, meetings are open to the public. If you are interested in serving on the Zoning Board of Adjustment, please contact the Selectboard or Zoning Board Clerk for further information.

Thank you Board members for volunteering your time to serve.

Bernard Volz, Chair

CENTER HARBOR HERITAGE COMMISSION

During an inspection of the 1843 Town House, it was clear that its roof shingles were cracked or curling and that some were sliding toward the row below. Leakage in the future was likely. Replacement with quality shingles, new metal flashing, water and ice shield, as well as its application by the contractor would require installing experience. The contractor on this project (Target New England) used care while removing and installing. This was a priority project that was conducted in the worst of conditions; cold, snow and ice.

The State, acting through the Division of Historical Resources (NHDHR) provided a grant of nearly \$10,000 for the roof. This is called a Moose Plate Grant.

At the Commission's October meeting, we had a work session with Ken Ballance, Code Compliance Officer. We discussed at length the next phase of the Town House rehab. Ken Ballance commended the Commission for the work done to date, noting that the building should now be secure for some time. He recommended that the Commission first decide how they intend the building to eventually be used and to think long-term. Once the Commission decides, he can help develop a program to achieve what is intended. A number of other items were discussed that can provide a guide to the Commission. The Commission expresses its appreciation to Ken Balance for the time to meet and discuss the Town House, and continuing to help as the project moves ahead.

The Heritage Commission and the NHDHR continue with efforts to improve access to historical information. Working with the Commission, preservation consultant Mae Williams developed the *Center Harbor Community Planning Survey* as a model for New Hampshire towns to use to inventory their historical resources in a cost-effective manner. (This survey is available on the Heritage Commission's webpage. It includes a history of our Town). Over 120 historic properties in Center Harbor were identified and now comprise our inventory. Additionally, the *Heritage and Cultural Resources Inventory 2018 Map* layer was added to the online Town Maps. The properties are organized by decade built, Slab City, demolished sites, historic barns and cemeteries/burying grounds. A windshield survey form completed for each of the historic properties can also be accessed online.

Rick Kipphut continued as a volunteer to survey historic barns in Center Harbor. Thus far, he has surveyed 34 barns and will continue to survey more next year. If you own a barn that is at least 50 years old and would like Rick to survey it, or for more information, please contact him at 603-726-0925 or researchthepast@gmail.com.

The Commission also helped the Library Trustees receive a NH Preservation Alliance Matching Grant of \$4,500 for a *Building Conditions Assessment and Report* on the Nichols Library. This *Report* should be completed in early 2019.

I would like to thank Mae Williams, Rick Kipphut and the Members of the Commission for their time and efforts.

2018 Activities – Center Harbor Energy Committee

During the 2018 year of service to the residents of Center Harbor, the Energy Committee continued to focus efforts on various cost-effective energy-savings opportunities. The Committee completed the following projects and activities in 2018.

- Insulated the foundation walls for the heated portion of the Center Harbor Town Garage; replaced the two entry doors with insulated doors; and improved the weather stripping for the overhead garage doors. The Committee obtained \$5037.94 in rebates from NHEC (35% of project cost) as part of this project. Pending approval at the March 2019 Town Meeting, the Committee requests that \$494.72 of the rebate be credited to the Building Repairs & Maintenance ETF, and \$4543.22 be credited to the Energy Conservation & Improvements ETF.
- The Committee investigated a potential Town Garage structural analysis that would be required prior to improving the wall and ceiling insulation. Additional insulation and sealing would require ventilation to maintain appropriate air quality. The Committee's preliminary investigation indicates that this project is likely not cost effective at this time.
- The Committee investigated opportunities to replace Town Garage fluorescent lighting with LED lighting. An RFP was issued, but responses were limited and higher than NHEC rebates would justify.
- Updated and issued a recommended energy savings handout for new construction and renovations.
- Hosted a NHSaves Button Up workshop to educate the public about opportunities to save energy, including utility rebates, low cost high return energy solutions, and opportunities for matching funds.
- Collected several years of Town utility data and entered into a database for future analysis and usage.
- Participated in regional energy committee meetings to expand the committee knowledge of opportunities, and raise community awareness. Reviewed the Town Planning Board Master Plan Action items for updates as needed.

For 2019, the Committee will continue the activities started in 2018, including:

- Further evaluate energy conservation opportunities for the Town Highway Garage as a second phase.
- Encourage energy efficient applications for Town projects, including the historic Town House.
- Collaborate with Meredith and Plymouth Area Regional Energy Initiative (PAREI) Energy Committees as appropriate to identify opportunities to save energy. Work with the Lakes Region Planning Commission (LRPC) as appropriate for future energy opportunities.

The Energy Committee requests a 2019 appropriation of \$10,000 (same as 2018) to the existing Energy Conservation & Improvements Expendable Trust Fund to improve the energy efficiency of the Town's facilities.

"The Energy Committee meets every 3rd Thursday of the month at 7:00 PM in the Cary Mead Meeting Room. Agenda and minutes are on the Town's website <https://www.centerharbornh.org/energy-committee/>. Town residents are encouraged to attend meetings, especially if they have energy-related questions or suggestions."

Respectfully submitted, Annette Nichols, (Chair)

Center Harbor Conservation Commission (CHCC) Annual Report 2017- 2018

Over the past several years, the Conservation Commission continued its efforts to preserve and protect the high quality land and water resources throughout the town.

Having achieved our primary goals pertaining to prime wetlands designation, water resources mapping and the development and passage of a comprehensive water resources zoning ordinance, the Commission continues to seek opportunities to participate in land conservation related projects.

During 2017 - 2018, our major endeavor was the completion of a conservation easement project with Squam Lakes Conservation Society (SLCS) to assign them the primary status as easement holder of the majority of Kimball Island, switching the roles as primary and secondary enforcers of the conservation easement granted by the Derr family in 1978. The monitoring and enforcement responsibilities have been legally transferred to SLCS and the Town will continue to hold an executory interest in the easement. In return, the Town donated monies to SLCS from their Conservation Fund to continue the stewardship and easement monitoring efforts on Kimball Island. The Conservation Commission, the members of the Derr family and SLCS are pleased to continue the protection of conservation values of a key property in the middle of Big Squam Lake.

At the end of 2018, Conservation Fund balance stands at \$72,997.75. There were no deposits from Land Use Change Tax (LUCT) nor did the Conservation Commission make any disbursements in 2018.

In 2017- 2018 CHCC welcomed two new Commissioners - George Gurney and Don Carey. Both bring additional depth, expertise and energy to the Commission. The CHCC continues to actively seek Center Harbor residents to volunteer for membership in the Town's Conservation Commission – there remain openings for one additional (1) Commissioner and Two (2) alternates. Should you wish to learn more about the activities of the CHCC, please contact the Selectman's Office or attend one of its meetings. Because of its' reduced membership, the CHCC continues to meet on an "as needed" basis. Meeting notices, Agendas and Minutes of its meetings are on-line at the Town's web site.

Center Harbor Historical Society 2018 Town Report

The Center Harbor Village Schoolhouse operated as a school for elementary school aged children from the years 1886 to 1970. The schoolhouse house itself has been in continuous use for over 130 years and is now the home of the Center Harbor Historical Society and museum. The Historical Society continues it's education mission in preserving and displaying local history.

As I look back on 2018, the museum and Historical Society had a very good year. We presented a variety of new and interesting programs. We visited the Alpine Landscape above tree line, looked at vintage postcards, saw many different covered bridges, light houses, and learned about the EMT response network and how to keep safe in your home and community.

Shirley White, the Society secretary, voluntarily inventoried and organized, by herself, ALL the pictures and paper records stored in the museum. A hard job to be sure, she arranged the pictures and paper records into boxes, with an inventory list of what items were in the box. What will help in researching a subject, there will a master sheet that has a list of all the boxes and the basic subject of each box.

The Executive Board met to draw up new and revised ByLaws for the Society. With the help of a lawyer we hired, and the Attorney Generals', Charitable Trust Unit, the ByLaws met all state rules and regulations. At a spring meeting, the Society will have the new ByLaws available for those who want to see them.

Renovation work has been completed on the alcove entryway to the museum. This area will be used for a permanent display of the Belknap College history. Donated items from the alumni of the college, as well as items and pictures in the museum collection, will be on display.

I am asking again, as I have done each year, for you to step up and become a society member. There is serious need for young people to join the society. As the society gets older it is much harder to continue our mission to identify and preserve our history. There is a need for committee members and officers to oversee the the societies' operation. Please fill out an application or contact me at: 603-968-3902.

CHCDA report for Center Harbor town meeting 2019

Another year has come and gone, and here in Center Harbor, we said goodbye to some, and welcome to others.

We said goodbye to two great restaurants, Lavinia's and Mug by the Bay. We also said goodbye to Copy Express.

We welcomed Osteria Poggio into the old Lavinia building. Most people call it OP! Either way, delicioso!

Heaths True Value Hardware is now Heaths Ace Hardware.

We welcomed Just Hit Print, where Copy Express used to be.

We have new owners at Keepsake Quilting.

We also welcomed The Squam Lakes Artisans into the space next to Yikes.

Now in our fifth year, The Center Harbor Community Development Association continues to dedicate our efforts to enhance and benefit the town of Center Harbor. (It's where we got our name from) The group includes volunteers from many of the businesses and organizations in the town area. We work closely with our Police, Fire, Highway, and Parks and Recreation departments, as well as the Board of Selectmen.

We are volunteers, so there is never a cost to the town or the tax payers.

2018 in review

Skatefest/Winter Beach Party was a great success. Every year we are affected by the weather. With snow the night before, we rose to the challenge and cleared the beach (thanks Jeff and Jay) and skating rinks (thanks Leon and crew) and held a Snowman/woman/creature contest. It was awesome and all the kids got a prize. The Fire Department put on a very exciting and educational water rescue. Good thing they were also in charge of the huge bonfire. Just watching that rescue

made everyone run for some warmth. We had Snow Cat rides out on the lake. We all got to hang out with our neighbors, do some eating (provided free by our local restaurants, Supermarket and cookie baking volunteers) and dancing on the beach in February. A great family fun day and free for everyone.

Our only fundraising event, Lobsterfest, was another success in 2018. Although it was extremely hot, all of our volunteers and neighbors had a great time. We try to recreate the old Lobster Bake and street dance, but with far less sand. Special thanks to the CHFD, the CHPD, Parks and Rec., The Highway department and The Selectmen.

We raised enough money after expenses, to cover the shortfall for new computers at the James E. Nichols Memorial Library with a check for \$4,000. We also purchased more Christmas lights for around town. We think it looks great!

We sponsored the annual lighting of the Big Tree and Bandstand. Thanks to Carlos and a few members of the town band, we sang carols and ate cookies and hot cider. Another wonderful opportunity to get together with neighbors and family.

That is what it's really all about...community.

On behalf of the active members of your business community, thank you for all your support. We look forward to fostering good will in the place we live and work.

Bill Ricciardi
Chairman

We are very pleased to report that our Lakes Region Visiting Nurse Association and Hospice celebrated its 95th Anniversary serving the citizens of Center Harbor in record setting fashion. At the start of 2018, LRVNA was serving Center Harbor patients with an annual visit pace of 672 visits. By year's end, the annual average almost tripled to 1668 visits. Your agency has embraced a terrific "can do" attitude which has not only increased the agency total monthly patient census from 80 to 200, but has also added a dozen additional full time employees to the staff. The very best news remains the fact that LRVNA is well- positioned to continue to provide compassionate, stellar, professional care to our residents and/or their loved ones, regardless of their ability to pay. Lastly, all of this good news is made possible, in no small part, to the generosity of the Town of Center Harbor's citizens for continuing to remember a neighbor in need.

Sincerely,

Kevin M Kelly

TOWN OF CENTER HARBOR 2018 ANNUAL REPORT

Community Action Program

The mission of Community Action is to work with low-income families, the elderly and those with handicapping conditions to assist them in their efforts to become or remain financially and socially independent. The Agency accomplishes this task by providing a broad array of programs that are locally defined, planned and managed. During the past year, we have provided \$73,980.33 in services through the area center. In Center Harbor, we help with fuel and electric assistance, security deposits, emergency assistance and food from the Meredith Emergency Food Pantry. We also work hand-in-hand with other organizations to meet the needs of our residents. For those who are unable to come to the CAP office, we visit their homes and assess how we can help them. A portion of our funding that allows us to offer these services comes from the towns we serve. Center Harbor has been very supportive of our efforts over the years, and we are thankful for the Town's continued commitment to our programs. For more information, please contact us at 279-4096 or stop by our office at 147 Main Street, Meredith, NH.

Bob Adams, Meredith Area Center Director

On behalf of the Board of Directors, staff, and families of Inter-Lakes Day Care Center, I would like to extend a sincere thank you to the Town of Center Harbor. We greatly appreciate the continued support for our families and the local community.

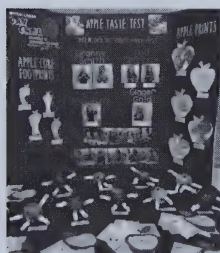

With 47 years of service to the community, our non-profit is proud to continue helping families maintain employment and participate in job training programs, all the while educating our youngest citizens. More than ever Inter-Lakes Day Care Center is providing child care for second generation families who continue the tradition of valuing early childhood education.

It is the mission of Inter-Lakes Day Care Center, Inc. to promote child development through operation of a

group child care center and nursery school for children six weeks through twelve years in age, and through establishment of cooperation and collaboration with other agencies, local businesses, and civic groups in promoting child development and community enhancement.

I-LDCC collaborated with the Meredith Altrusa Club's Literacy Committee to provide reading enrichment to our preschoolers. The school age Seven Upper Club participated in Altrusa's Festival of Trees, decorating a Frosty the Snowman-themed tree. The Seven Uppers also took field trips to places such as Madison Boulder and Mount Washington Observatory's Weather Discovery Center during their summer nature studies. All children from infants through school age participated in creating our annual submission to the Sandwich Fair. This year's display was entitled "We Have Core Knowledge" and highlighted our study of apples.

I-LDCC is open 6:30am to 5:30pm Monday through Friday to make it possible for parents to maintain full-time employment. Tuition assistance is available to families with income up to 250% of the poverty guidelines. I-LDCC's variety of programs and services include: morning preschool, full and part-time care for infants, toddlers, and preschoolers, before and after school programs for school age children, summer day camp, healthy meals throughout the day, field trips, and collaboration with other local agencies to provide enriching programs. I-LDCC offers an environment that encourages the development of the whole child while fostering a sense of independence, responsibility, and self-control. I-LDCC provides breakfast, lunch and snacks daily through the Child and Adult Care Food Program (CACFP). Additionally, as a sponsoring agency, we facilitate meal reimbursements to licensed family day care homes who follow USDA guidelines to provide healthy meals and snacks to the children in their care.

Sincerely,

Connie Pelletier
Executive Director

Winnepesaukee Wellness Center
A Self-supporting Department of LRGH
78 Whittier Highway, #4, Moultonborough, NH 03254
P.O. Box 184, Center Harbor, NH 03226

The Winnepesaukee Wellness Center located at 78 Whittier Highway would like to express our sincere appreciation for the many years of financial support Center Harbor has extended to us. The Center was opened in 2000 to meet the needs of the Northern Lakes Region. We have been a self-supporting department of Lakes Region General Hospital since 2004.

The Center is open 3 days a week, Monday, Wednesday, and Friday from 6:30 A.M. to 3:30 P.M. Seniors are the main population at the Center with member's ranging in age from 56 to 92 with the average age being 73. Approximately 15% of our members are residents of Center Harbor and are appreciative that we have been able to keep our dues stable for so many years due in great part to the generosity of the Town of Center Harbor. There are an equal number of men and women who exercise at the Center. Financial assistance is available to qualifying members.

The Center has been able to keep dues low through the support of the surrounding communities. Our dues of \$50.00 per month for individuals and \$80.00 for couples cover approximately 65% of our expenses. The support from surrounding towns is supplemented by other small fundraisers throughout the year.

We are aware of the value of the Center as expressed by many members who feel comfortable exercising here under supervision of an Advanced EMT. Clients keep track of their heart rate, oxygen level, and blood pressure on an ongoing basis. Those who need supplemental oxygen while exercising are monitored, and we are able to check blood glucose levels if the need arises. Emergency equipment is also available if needed.

The Winnepesaukee Wellness Center is an important part of the town especially for our senior citizens. They engage in exercise and also interact socially with others in the surrounding communities. The Center's Mission is to promote individual health responsibility and to provide a safe, comfortable site to exercise and provide on-going support and encouragement for a healthy lifestyle.

Request for Center Harbor Allocation in Fiscal Year 2019: \$ 1,500.00

Lakes Region Mental Health Center (LRMHC), formerly Genesis Behavioral Health (GBH) is designated by the State of New Hampshire as the community mental health center (CMHC) serving the 24 towns that make up Belknap and southern Grafton Counties. LRMHC provides Emergency Services 24 hours a day, 7 days a week, to anyone in the community experiencing a mental health crisis, regardless of their ability to pay. Additionally, LRMHC provides individual, group and family therapy; mobile crisis teams in the event a tragic event occurs that impacts a community at large, psychiatry; nursing; community support programs for people with severe and persistent mental illness; care management; community-based supports; housing; supported employment; substance use disorder treatment; and specialty services and evidence-based practices for children and their families, including trauma-focused therapy, art therapy and play therapy. Child Impact seminars are offered in Laconia and Plymouth for divorcing families. LRMHC owns two handicapped accessible vans and provides transportation services to patients in the greater Plymouth and Laconia areas as a means to enhance access to care in this rural area.

Founded in 1966, LRMHC provides comprehensive, integrated mental health treatment for people living with - and recovering from - mental illness and/or emotional distress. In Fiscal Year 2018, LRMHC's 190 employees served 4,067 children, adults and families. During this same time period, we provided over \$1.2 million of charity care.

In Fiscal Year 2018, **24 residents** of Center Harbor received services from Lakes Region Mental Health Center, and **8** of these individuals utilized Emergency Services. LRMHC provided **\$4,911** in charitable care to Center Harbor residents last fiscal year. The age breakdown is as follows:

Center Harbor Residents	Patients Served- LRMHC	Charitable Care in \$	Patients Served-ES
Children (0 to 17 years)	11	\$2,228	3
Adults (18 to 61 years)	10	\$2,313	4
Elder (62 + years)	3	\$370	1

LRMHC is requesting **\$1,500.00** this year; which is a level funded request from last year. Your continued support will help us ensure the provision of 24/7 Emergency Services to people in crisis, as oftentimes emergencies are attributable to lack of health insurance and/or the financial resources necessary to seek preventative care. For many, Emergency Services at LRMHC are the gateway into treatment. Access to timely and effective treatment supports recovery, and minimizes further harm to the patient, the community, and other systems of care.

An investment from Center Harbor will be leveraged with appropriations from other communities to offset the tremendous cost of staffing the Emergency Services program round the clock. It will help us expand mental health services and increase awareness. Similar to a municipal police or fire department, Emergency Services is a safety net for *all* residents of your

town, not just those utilizing the service. Your appropriation will ensure the provision of this essential service for the residents of your community and reduce the burden on your town.

What is a Mental Health Emergency?

A mental health emergency is a sudden change in the mental status of an individual due to a one-time event or as the result of a pre-existing mental illness. Events causing a mental health emergency can include loss of job, divorce, natural disaster or the sudden loss of a loved one. **A mental health emergency can occur at any time to anyone, regardless of age, gender or class.** Symptoms of a mental health emergency can include, but are not limited to:

- Suicidal or homicidal thoughts
- Feelings of desperation or anxiety
- Delusional thoughts
- Risk of harm to self or others

What are Emergency Services?

Emergency Services are provided by LRMHC in accordance with regulations governing community mental health centers in the State of New Hampshire. Services include access 24 hours a day, 7 days a week, to Master's level clinicians and psychiatrists by individuals of all ages, hospitals, schools, police and others experiencing or dealing with a mental health emergency. The goal of Emergency Services is to reduce the individual's acute psychiatric symptoms, decrease risk of harm to self and others and assist in returning the individual to pre-crisis level functioning. Emergency Services are provided through a 24-hour emergency hotline, mobile crisis response, crisis stabilization, assessments and evaluation and voluntary/involuntary hospitalization. Services are provided in person, over the telephone and via telehealth to ensure rapid access to care.

How does the town benefit? Why should you invest in Emergency Services?

Sadly, today we have a greater understanding of the devastating effects of a mental health crisis. We may get a glimpse of it in when a tragic event affects our own community: a horrific crime, a suicide, the aftermath of an accident. The role of the LRMHC Emergency Services team is not simply to work with the individual in crisis, but to work with the community in its wake. This may include meeting with emergency responders as they cope with a difficult case or with school children and teachers as they mourn the loss of a classmate and student.

An investment from the town will be leveraged with appropriations from other communities to offset the tremendous cost of staffing the Emergency Services program round the clock. It will help us expand mental health services and increase awareness. Similar to a municipal police or fire department, Emergency Services is a safety net for ***all*** residents of your town, not just those utilizing the service. Your appropriation will ensure the provision of this essential service for the residents of your community and reduce the burden on your town.

Interlakes Community Caregivers, Inc.

In 2018, Interlakes Community Caregiver, Inc. (ICCI) celebrated 20 years of providing services free of charge to the community. Founded in 1998 as an outreach program of the Center Harbor Congregational Church, the first group of 25 volunteers included six who served as coordinators. Working from their homes, these coordinators received requests from neighbors and contacted the volunteers who provided services for these neighbors. Volunteers were recruited and an office was set up in the church, where it remained until 2003 when the first annual appeal for funds was made. Community Caregivers of Center Harbor, Meredith and Moultonborough incorporated as a 501(c)(3) nonprofit organization in January 2004. In 2012, Sandwich Caregivers merged with the group and the name of the organization changed to Interlakes Community Caregivers, Inc. to reflect the wider geographic area.

An eight-member Board of Directors governs the organization and three part-time staff are employed. The office is in Moultonborough just past the Center Harbor traffic lights. ICCI provides rides, friendly visits, grocery shopping and other services and community resource information for our neighbors to assist them in their daily lives. Our organization is involved in helping people remain independent in their own homes, whether for a long term period to age in place or for a short term to recuperate from surgery, accident or illness. We refer to those we serve as “neighbors” as we are “neighbors helping neighbors.” We are local people helping local people funded by local dollars, thanks in part to Center Harbor taxpayers. Although our services are available to those of any age, nearly half our neighbors are 80 years of age or older and over 70 percent are female. The number of neighbors is four times the number of current volunteers. In 2018, ICCI provided a total of 2,686 services; volunteers drove 50,686 miles and donated 3,792 hours to nearly 300 people. The big demand for services is due in large part to the aging demographic in our rural community.

In 2018, twelve Center Harbor residents were registered to receive services, ranging in ages from 50 to 91, 59 percent female. ICCI volunteers responded to 51 service requests from Center Harbor residents, representing 62.5 hours of donated volunteer time and driving 1,087 miles. Twelve of our 64 volunteers are Center Harbor residents.

Local area transportation is provided for needs such as doctor and dentist appointments, lab tests, pharmacy pick-ups, grocery shopping, hair appointments and other personal errands. We accommodate extended-area trips (e.g., Boston, Manchester, Lebanon, etc.) for medical appointments. Rides are provided by volunteers in their personal vehicles. Other services include friendly visits and all services are based on volunteer availability. All volunteers must complete our Volunteer Education program and pass background checks for Criminal History, Driving Records, Elderly Abuse and Sex Offenses.

ICCI relies solely on donations, fundraising events, grants and town support. We do not receive Federal Government or State Agency funding. The contribution made by the taxpayers of Center Harbor is essential to our continued service to the community and very much appreciated. Thank you for your loyal and generous support.

REPORT OF NEW BEGINNINGS

Town of Center Harbor 2017-2018

On behalf of New Beginnings – Without Violence and Abuse, I would like to thank the citizens of the Town of Center Harbor for their on-going support. Your 2017-18 allocation has enabled our agency to continue to provide trauma informed direct services including 24-hour crisis intervention, long term support and assistance, and outreach and prevention education to people whose lives have been affected by domestic and sexual violence and stalking in all of Belknap County.

Our organization operates a full-time shelter with a food pantry and material goods; staffs a 24-hour crisis line; provides 24-hour advocacy at hospitals and police stations; provides court and social service advocacy; and offers non-judgmental support and advocacy on a one-to-one basis as well as in peer support groups. New Beginnings has programming for children and teens that have witnessed and experienced violence, including resiliency-based programs. Though we serve a small county, the need for services is great. We are available to do a Primary Prevention Programing for Center Harbor students. We had advocates in Belknap County courts each working day of this budget year. New Beginnings is the only domestic and sexual violence crisis center serving Belknap County, offering support and advocacy to **730** individuals in FY17-18, including residents of the town of Center Harbor and resulting in **14,686** individual services. These services are provided by staff advocates and by our volunteers, who donated over **18,000** service hours.

New Beginnings plays a significant role in the greater community. We facilitate outreach activities and offer education programs to businesses, clubs and groups. We also facilitate age-appropriate prevention programs for students in kindergarten through college, including topics such as conflict resolution, bullying, healthy relationships, and dating and sexual violence. We participate in many committees and commissions, including the Belknap County Family Violence Prevention Council, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county. New Beginnings partners with law enforcement through the Lethality Assessment Program (LAP), to reduce the rate of domestic violence homicides in Belknap County and ensure service provision to victims receiving police response. Advocates participate in the local Sexual Assault Resource Team (SART), a comprehensive collaboration of Belknap County Professionals dedicated to promoting efficient and victim-centered services in sexual assault cases; improving conviction rates and engaging victims' services focused on their health and healing. New Beginnings staff has studied Adverse Childhood Experiences (ACE Study) research and deliver trauma informed direct services.

We are 1 of 13 member programs of the NH Coalition Against Domestic and Sexual Violence (NHCADSV), promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal grants and contracts that provide federal and state funding for member programs.

Sincerely,

Shauna Foster
Program Manager

LAKES REGION PLANNING COMMISSION

103 Main Street, Suite 3
Meredith, NH 03253
(603) 279-8171
www.LakesRPC.org

Lakes Region Planning Commission

The Lakes Region Planning Commission is a voluntary organization of 30 member municipalities within one of the 9 regional planning areas established by state legislation under NH RSA 36:45. Regional planning commissions strive to respond to and shape the pressures of change in a meaningful way, both locally and regionally, through communication, joint initiatives, and planning.

With a regional planning area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC's professional staff provide regional planning services in the areas of transportation, land use, economic development, watershed management, and natural resource protection; local technical assistance with master plans, capital improvement plans, hazard mitigation plans, ordinance review, and circuit rider consulting; GIS mapping services; data collection and analysis; and review of Developments of Regional Impact.

In May 2018, we expanded our boundaries with the transfer of the Town of Plymouth to our planning region. After Plymouth's request to change planning regions was approved by New Hampshire's Office of Strategic Initiatives and an Executive Order was issued by the Governor, we welcomed Plymouth as our newest municipal member.

Center Harbor's Representatives to the LRPC

Commissioners:

Mark Hildebrand

Transportation Technical Advisory Committee:

Jeff Haines

Highlights of the LRPC's activities over the past year are listed below.

LOCAL SERVICES — CENTER HARBOR

- ◆ Provided technical land use planning assistance and general technical assistance.
- ◆ Replicated engineering plans for Zoning Board of Adjustment for joint Center Harbor/Moultonborough project.
- ◆ Discussed lot merger with Planning Board Clerk.
- ◆ Oversaw scanning and printing of structural plans for Energy Committee.
- ◆ Responded to historian working for Heritage Commission regarding mapping resources.
- ◆ Prepared Center Harbor data to incorporate Water Resources Overlay into Zoning and ran model as part of the Squam Lakes Watershed Plan Build-Out Analysis project.
- ◆ Coordinated our annual regional Household Hazardous Waste Collection in Summer 2018 with Center Harbor as one of 25 participating member communities. This enables residents to safely dispose of their household hazardous waste as a means of protecting the region's groundwater that we depend on for drinking water, domestic use, and tourism.

REGIONAL SERVICES — 2018 Highlights

- ◆ **Regional Purchasing Initiatives** | Created the opportunity for participating towns and school districts to save combined totals of \$159,938 in Electricity costs and \$10,123 in Oil & Propane costs by initiating a program to reduce individual town costs using the power of aggregate purchasing. While each town signs their own contracts directly with the chosen supplier, the more that participate, the greater the potential savings. We continue to research potential shared services and future cooperative

buying opportunities, based on member input, on items such as Catch Basin Cleaning, School Bus Transportation, and Cell Phone Service.

- ♦ **Economic Development** | Pursued workforce development and growth opportunities for the region in coordination with regional economic development groups including Belknap Economic Development Council (BEDC), Capital Region Development Corporation (CRDC), Franklin Business and Industrial Development Corporation (FBDIC), Grafton County Economic Development Council (GCEDC), and Wentworth Economic Development Corporation.

Brownfields—Provided environmental assessment and consulting on brownfields properties, including the former Laconia State School, to encourage redevelopment through the EPA Brownfields Program.

Northern Border Regional Commission (NBRC)—Provided grant administration for NBRC grant projects in three communities.

- ♦ **Developments of Regional Impact** | Responded to numerous requests for reviews on Developments of Regional Impact, prepared draft comments, discussed with staff and municipal planners, corresponded with state and local officials, reviewed relevant state statutes, and provided updated LRPC guidelines to members through their Commissioners.
- ♦ **Education** | Convened 6 area commission meetings, including an annual meeting with over 120 people and a legislative night. Meetings featured guest speakers covering a variety of topics including *From Brownfields to Whitewater Parks* and *Becoming Age-Friendly Communities*. At our 2018 Annual Meeting we recognized 9 individuals from 7 municipalities with wards across 3 categories for outstanding service to their communities.
- ♦ **Solid Waste** | Provided technical training and educational programs for solid waste managers and local officials through a USDA Solid Waste & Water grant award and submitted a grant application for funding for next year. Coordinated our 32nd annual Household Hazardous Waste Collection with 25 participating member communities held in 8 locations resulting in the removal of 35 tons of hazardous waste just from residents.
- ♦ **Transportation** | Completed Franklin to Concord regional Transit Study creating a regional transit feasibility study template to use in the future.

TAC (Transportation Technical Advisory Committee)—Coordinated and conducted monthly meetings of the Commission's technical advisory committee on Transportation to enhance local involvement in regional transportation planning and project development.

Public Transportation—Provided assistance to the Carroll County Regional Coordinating Council and the Mid-State Regional Coordinating Council.

RSMS/SADES—Assisted communities with Road Surface Management Systems (RSMS) analysis and conducted culvert and catch basin inventories.

Road Safety Audits—Coordinated with NHDOT Safety Engineer and municipal officials to establish Road Safety Audits in several communities.

Scenic Byways Advisory Committee—Continued working with the Lakes Region Tour Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences.

TIP (Transportation Improvement Program) **& TYP** (Ten Year Plan)—Worked with member towns and NHDOT to prioritize transportation improvements in the region.

Traffic Counts—Conducted over 144 annual traffic counts around the region.

♦ **Watershed Management** |

Pemi Watershed—Provided technical and administrative support to the Pemigewasset River Local Advisory Committee (PRLAC); coordinated and staffed monthly meetings; and maintained their website. PRLAC is a state-chartered advisory committee under NH RSA 483, the Rivers Management & Protection Program (RMPP).

Lake Waukewan and Lake Winona Watershed—Completed Restoration Plan review and created hazardous spill/flow map.

Squam Lakes Watershed and Winnisquam Watershed—Provided contractual services to Squam Lakes Association for facilitation, analysis, and recommendations for Phase I of the Squam Lakes Watershed Plan and to NH Department of Environmental Services for the Winnisquam Watershed Plan Phase I.
